

Hi there,

With the school year coming to a close soon, the summer season is often a great time to unwind and reflect on career goals.

If you're considering exploring the idea of making a career change that provides you with greater autonomy, wider reach, and higher potential for earnings, or simply want to dabble in something different to mix things up, consider joining Sean McCormick's [Summer 2024: Live Executive Function Coach Certification Course](#), an ideal opportunity to fuel your passion for supporting executive functioning through coaching.

This course is **specially designed for those who are eager to work with middle school through college age students facing executive function challenges**. Sean will personally guide, encourage, and empower you, with specific tools and resources, to build a full or part-time EF coaching practice step-by-step.

## Testimonials

*"This course was worth every penny! I felt very lost in my journey to becoming an EF coach before taking this class and feel SO much more confident now. The gaps in my education belong to me, and I will find the answers and experience that I need as I go."*

*"The coaching academy was such a wonderful learning experience and a great way to connect with likeminded teachers ready to start their own businesses! Thank you for creating the community and offering so much great support!"*

*"After only one month, I am already incorporating many new techniques into my current work as a middle school learning specialist. I recently submitted my retirement letter and plan to pursue coaching as a full-time career at the end of this school year! The enthusiasm I am feeling towards my future plans has definitely been magnified by your program. Thank you for creating such a beneficial experience."*

## Last But Not Least

Questions? The [enrollment page](#) & [FAQ page](#) should have you covered, but if there are still lingering questions, just reply to this email, and we'll get your questions answered right away.

Whether you're looking to make a significant career change or just dip your toes in the water, this course will provide you with practical knowledge, hands-on strategies, and a supportive community to help you thrive as an executive function coach.

Hope you have a great weekend!

Best,
